

6ft Model Pictured Above

- A) Cinch Rope Lock** - Pistol grip style for better ergonomics (to tighten down or loosen the net).
- B) Nylon Stow Bag** - Black nylon stowage bag with drawcord closure (easy-to-follow installation instructions are enclosed).
- C) 6 Carabiners**- Aluminum body with stainless steel wire gate, will never rust.
- D) Cinch Rope** - Cinch rope affixed to net border at front of net. Cinch rope allows for desired height and adjustment when installed. 100% nylon - UV weather treated.

LOADTAMER™ CARGO NETS
safely restrain cargo in / on
various vehicles, aircraft,
watercraft, trailers and ATV's
from bouncing/shifting or
blowing out of the
cargo area.
